RUSSELL SAGE YIELDS TO GRIM REAPER

Was One of the Wealthiest of Wall Street Operators.

HEART FAILURE CAUSED DEATH

On August 4 Mr. Sage Would Have Celebrated His Ninetieth Birthday. Sage Interests Will Not Be Affected by His Death.

New York, July 24.—Russell Sage died suddenly Sunday at his country home "Cedarcroft," at Lawrence, L. I. The immediate cause of death was heart failure resulting from a complication of diseases incident to old age. The veteran financier would have celebrated his ninetieth birthday on August 4th.

Mr. Sage had been in exceptionally good health since his arrival at his summer home about six months ago.

RUSSELL SAGE.

At noon Sunday he was seized with a sinking spell and collapsed, falling into unconsciousness about two hours before his death, which occurred at 4:30 o'clock.

There were present at the end Mrs. Sage, her brother, Colonel J. J. Slocum, the Rev. Dr. Robert Leetch, Dr. Theo. S. Janeway, of New York; Dr. Carl Schmuck, a local physician, and Dr. John P. Munn, for many years Mr. Sage's family physician, who was summoned from New York when the first alarming symptoms were noticed.

The funeral services will be held on Wednesday at the West Presbyterian church in West Forty-second street, where Mr. Sage had been a member for many years.

The interment will take place in Troy on Thursday. Mrs. Sage and her brother, Colonel Slocum, are named as the executors of Mr. Sage's will.

It is generally believed that Mr. Sage's vast interests will not be seriously affected by his death. Several times within the last few years rumors have been set afloat of Mr. Sage's death. On one such occasion in June, 1896, Mr. Sage said:

"I suppose somebody wanted to make a little money by affecting stock values, and they hit on this old trick."

Asked if the stocks had been much affected, he answered:

"I understand not. The properties in which I am interested cannot be seriously affected by my death."

LINEMEN STRIKE DECLARED OFF.

Southern Bell Company Was Officially Notified Yesterday.

Atlanta, July 24.—The strike of the linemen of the Southern Bell Telephone and Telegraph company, which was declared by the Electrical Workers' union on April 16, was officially and unconditionally call off by the officials of the union Sunday.

Upon receipt of this information the telephone company consented to employ as many of the strikers as could be used, excepting such as had been guilty of objectionable conduct since the strike was declared. These men will be given employment upon writen application, without prejudice on account of having participated in the strike.

The telephone company takes the position that the strikers were ill-advised, and those whose conduct has been such that they would have been discharged had there been no strike, will not be re-employed.

The linemen's strike affected the seven states in which the Southern Bell company operates, and has dragged along for three months.

The strikers claim that more than 1,000 men left the employment of the company, while officials of the company state that less than 500 men joined the strike movement.

The work of the telephone company was delayed for only a few days, and men were employed to fill the places of those who left. Many of the linemen who joined the strike returned to work, and the effects of the strike were felt in only a few localities.

When the mother was attracted by its cries the flames had covered it and its face and body had been badly burned. It is still alive, though it is in a very critical condition.

BOTH TRAINS ARE DEMOLISHED

Only a Few of the Dead Have Been Identified—Nineteen Corpses So Far Taken from the Debris—Wrecked Passenger Was No. 44, Northbound.

Raleigh, N. C., July 24. A collision between a freight train and a regular passenger train on the Seaboard Air Line railroad at 8:40 Sunday night, 3 miles south of Hamlet, resulted in the death of four trainmen and sixteen others and the injuring of 24.

The bodies of the dead are being prepared for burial at Hamlet and Rockingham, while the injured have been removed to Charlotte and placed in the hospital there. The wreck was due to the failure of the regular passenger train to receive orders at Rockingham.

The train was manned by Conductor Hunter and Engineer Bundy, of this city. Conductor Hunter is not reported hurt and Engineer Bundy is only slightly hurt.

The mail train was No. 44 running from Charlotte to Wilmington. This train was in charge of Conductor John D. Bowen, formerly of Raleigh and a brother of Captain J. J. Bowen, of the Southern Express company here. He was only slightly hurt.

On account of the previous marriage of Mr. Dellingham's widowed mother to Mr. Storey, a brother of the bride, his relations with the members of the family become somewhat complex. Mr. Dellingham is now a brother-in-law of his own mother, and she is a sister-in-law to her daughter-in-law. The groom is a brother-in-law of his own stepfather.

LABOR HOSTS ENTER FIELD OF POLITICS

Executive Council of A. F. of L. Makes Good its Threat.

TO SUPPORT LABOR'S FRIENDS

Address Is Issued in Which It Is Now Stated that Labor Can Only Gain Its Rights by Means of Political Action.

Washington, July 24.—The executive council of the American Federation of Labor has made good its declaration of several months ago to enter the field of politics in the interest of the trade union movement and to exhort all members and friends of organized labor to work for the election to political offices of men known to be favorable to labor's cause.

From the headquarters of the federation the council has issued its "campaign programme" addressed "to all organized labor and friends in the United States."

It sets out that the trade union movement has kept and proposes to keep pace with the rapid changes in industrial affairs and that the working people cannot hope to gain their rights or a progressive position in the varying phases of modern society unless they organize and "exercise all those functions which, as workmen and citizens it is their privilege and their duty to exercise." It is declared that labor makes no demand upon government or society which is not equally accorded to all the people of this country and that "it can and will be satisfied with nothing else."

The proposed campaign is based upon the allegation that little attention has been paid the enactment of laws prepared by organized labor and presented to congress "for the relief of those wrongs and the attainment of those rights to which labor and the common people are justly entitled and which are essentially necessary for their welfare."

The council issues a word of caution that the movement must not degenerate into a scramble for office, but "it should be a determined effort, free absolutely from partisanship of every name and character to secure the legislation we deem necessary and which is essential to the welfare and happiness of our people."

It is especially stated that where a congressman or state legislator had proven himself a true friend to the rights of labor he should be elected and no candidate nominated against him.

A BIG DAY IN COUNTY COURT

Many Cases of Various Character Were Disposed Of.

MORGAN UNDER HEAVY BOND

Forger Could Not Give Same, and Was Remanded to Jail to Await Action of Grand Jury—Six Gamblers Fined. Other Important Cases.

The mills of justice have been grinding regularly in County Judge Mason's court for the past two or three days, with the result that the genial Judge has been kept quite busy.

The most interesting cases to come before the court, and cases of great importance to the county, settling a question which it is said has been a puzzle for years, were those of the State vs. a number of traveling agents who have been working in the county without a license.

The first case was that of the State vs. A. G. Reynolds and others. These defendants were arraigned as representing the Wrought Iron Range Company of St. Louis, and were charged, as traveling agents, of disposing of the products of this concern without license.

The case was called and submitted to a jury, which returned a verdict of guilty. The court imposed a fine of $100 and costs on each defendant.

The case of the State vs. J. F. Anthony and others, lightning rod agents, upon the same charge as above, was next brought before the court, a jury summoned, and a verdict returned of guilty. These defendants were assessed a fine of $200 and costs each.

Through their attorneys, Carter & Layton, who represented the defendants in both causes, the cases were taken by habeas corpus proceedings to the circuit court, and in the event that tribunal sustains the lower court, the matter will be taken into the Supreme Court of Florida.

The defendants in the causes contend that they are not subject to license, the State laws being in conflict with the statutes of the United States.

The State law provides that in the case of traveling dealers, except lightning rod agents, $50 for each county shall be paid for the State, and $25 for the county. Lightning rod agents are required to pay in each county, for the State $100, for the county $25.

Heavy Bail for Morgan.

Taylor Morgan, the negro who attempted to negotiate a forged check at the First National Bank a few days ago, who was subsequently arrested and in his attempt to escape was shot by Sheriff Fennell after a hot chase, was sufficiently recovered to appear in court. Morgan looked none the worse for the wear, and it could be seen that he had not the sympathy of the court or those about him. He was requested to furnish a bond of $1,000 for his appearance at the fall term of the circuit court, in default of which he was taken back to prison.

A Bunch of Gamblers.

A bunch of six negro gamblers who were arrested by Officer Granger at Grove Park Saturday night while engaged in a game of "skin," were arraigned, pleaded guilty, and were sentenced to pay a fine of $1 and costs each.

Contested Will Case.

The court concluded its session with a case of M. Forman vs. Mrs. C. Forman, contest of will. Testimony was taken, and the matter is now under advisement of the court.

Some Interesting Papers.

W. E. Dow has received from Past Exalted Ruler L. C. Lynch and other friends attending the Grand Lodge of Elks at Denver numerous copies of the big Denver papers, containing column after column of Elk matter, which will prove of interest to members of the order here. There are also a number of interesting and striking cartoons, and in all the papers are full of interest. They are on file at the office of Dow & Morris, where all Elks are cordially invited to peruse them.

THE SCHOOL BOARD IS AFTER SUB-DISTRICTS

A Hint at Extravagance Made by Strong Resolutions.

MUST QUIT BORROWING MONEY

The Resolution Orders That the Total Income of Districts Referred to Shall be Used for Liquidating Their Indebtedness Until Paid.

The Board of Public Instruction evidently does not appreciate the manner in which two sub-district school tax districts have been exceeding their proportion of expenses and having money advanced from the common school fund, as in shown by a resolution passed unanimously by that distinguished body at a special meeting a few days ago.

While no authentic information is given, it is understood that Waldo exceeded the appropriation by about $330, while High Springs district ran behind more than $1,000 over the proportion last year.

The following is the resolution and preamble, as presented by Hon. W. J. Martin and unanimously passed by the board:

"Whereas, The special tax districts of High Springs and Waldo have secured large loans from the common school fund of Alachua county for building and other expenses, and

"Whereas, It is a plain fact that the income to these said districts is insufficient to pay the interest and maintain any extra school term, in said districts, and pay off the said indebtedness in any reasonable number of years, therefore, be it

"Resolved, That the superintendent must not contract with teachers for said schools for a longer time than the common school term of the county, unless the patrons of the said schools first guarantee the extra expense thereof, and that said guarantee must be the amount paid in advance to the county treasurer.

"Ordered, further, that the total income to said districts shall be used for liquidating the indebtedness of said districts until the same is paid off."

THE OAK HALLS AGAIN VICTORIOUS

Won Over St. Augustine by Close Score of Two to One.

WAS A SWIFT, SNAPPY GAME

Work of Both Teams Showed Good Training, and Men Appeared Evenly Matched—One of Prettiest Games Ever Seen on Gainesville Diamond.

By far the prettiest and fastest game of baseball ever seen on the local diamond this season, and one of the prettiest ever witnessed in Gainesville at any time, was the second game between the Oak Halls and St. Augustine, Tuesday afternoon, the score resulting two to one in favor of the home team. The game was snappy from the beginning, and this quick work did not lag during the entire game, the time required for the game being only an hour and twenty minutes.

The game between the two teams Monday afternoon was a good one, but was far outclassed by the contest of the following day.

It is to be regretted that the crowd Tuesday afternoon was not larger, which would have been more encouraging. However, those present enjoyed the game, and the fans exhibited enough enthusiasm to have impressed one on the outside of the high fence that there wasn't standing room.

The Sun would like to give a complete description of the game by innings, but is unable to do so for lack of space. Suffice it to say, however, that the twiriers on both teams did excellent work, as is shown by the score. Gainesville bunched her two runs in the first inning, after which there was a succession of goose eggs throughout the remainder of the game. The visitors suffered a goose egg board until the fifth, when they managed to push a man over home plate.

The line-up was as follows:

St. Augustine.		Oak Halls
Capo	c	Waller
Rogero	p	Kennard
Canova	ss	Thomas
Colee, E.	2b	Graham, S
Barnes	1b	Clark, F
Canova, A.	3b	Sheats
Kemper	lf	Graham, A
Capo, John	cf	Clark, Ed
Rogero, F	rf	Carter

Score by innings:

Oak Halls	2	0	0	0	0	0	0	0	0	—2
St Augustine	0	0	0	0	1	0	0	0	0	—1

The visitors left for Lake City via the Gainesville and Gulf Tuesday night. As an aggregation they were a clever set, and made many friends here who want to see them come again.

Madison-Gainesville Today

The management of the Oak Halls takes pleasure in announcing the Madison team—the crack team of West Florida—will play a series of two games here, the first this afternoon, being at 3 o'clock. It will be remembered that our boys were defeated by this team in two successive games at Madison, but the Oak Halls have been considerably strengthened, and a "hot old time" is anticipated at both games.

Let everybody turn out this afternoon and show their appreciation. An exciting game is guaranteed. Game will be called at 3 o'clock.

HAD BIG INSURANCE.

Geo. S. Fitzwater Was Insured in Prudential for Five Thousand.

Information has reached this city to the effect that George S. Fitzwater, the unfortunate man who met his death by drowning in the Savannah river Sunday morning, carried, among other insurance, a policy of $5,000 on his life in the Prudential. The papers for proof of death are now being prepared, when the money will be paid promptly to the widow, who is in Monroe, N. C.

The body of Mr. Fitzwater was recovered Monday and shipped to his home at Monroe, N. C., where the interment was held Tuesday.

Mr. Fitzwater was quite popular in Waldo and other sections of the county where he was known, and his sudden death came as a shock to his numerous friends here.

PROF. M'BEATH'S RETURN.

Was Member of Faculty of A. & M. Summer Normal at Starkville

Prof. Tom F. McBeath has returned from Starkville, Miss., where he has been engaged on the faculty of the A. & M. College summer school.

Professor McBeath reports a fine term. There were 600 Mississippi teachers in attendance, and the faculty and management, as well as the students, felt much gratified over the good work accomplished.

The summoning of Prof. McBeath, a Florida teacher, to work in this school, was not only a personal compliment, but a compliment to the educational interests of the State, which is rapidly becoming one of the leading States of the Union in this direction.

A BIG CATCH OF TARPON.

Silver Kings Now Affording Great Sport on Atlantic

Senator H. H. McCreary has returned from Mayport, at the mouth of St. Johns river, where he was the guest of the St. Johns Fishing Club, composed of a number of Jacksonville's best people, who have erected a club house on the beach and constructed a dock for the accommodation of those members who desire a quiet retreat where they can indulge in the sport for which Isaac Walton was so renowned. The club house is furnished in an ideal manner for the purpose for which it is used, and the premises are in charge of a good cook in the person of Steward James, an accommodating colored man who spares no pains to promote the comfort of all who avail themselves of the hospitality of the club.

Among those in the party during the past week were S. P. Holmes, T. M. Palmer, W. D. Stark, Judge John L. Doggett, Capt. Blair Burwell and Mr. Logan of Jacksonville, and H. H. McCreary of Gainesville. Some fine catches of fish were made daily, but the last day's sport was the greatest of all. In fact it was a record breaker for a place famous as the fisherman's paradise, four tarpon being landed during a few hours. Mr Holmes had two of the silver kings to his credit, and Mr. Stark and Judge Doggett one each. The one caught by Mr Stark, who, by the way, is the gentlemanly traveling passenger agent of the Atlantic Coast Line and better known to his intimate friends as "Wild Bill," was five feet eight inches long and weighed 140 pounds. Mr Holmes' two beauties were close seconds, while Judge Doggett, who is reputed to have a fondness for "weak" fish, landed one three feet eight inches long and weighing 75 pounds. The Judge, however, hooked a tremendous tarpon, which, after giving him forty minutes of the most violent exercise, kindly relieved him of further labor by parting the line. In all the three gentlemen had ten strikes, of which six were securely hooked and four landed, which were sent to Jacksonville and mounted. It was a great afternoon's sport, and the honor of having broken the record for tarpon fishing in those waters is accorded to Messrs. Holmes, Stark and Doggett by the oldest inhabitant of Mayport.

The tarpon fishermen went out with Charles F. Drew, who is as well acquainted with the waters inhabited by the finny tribe as Maxey Dell is with the hunting grounds of Alachua county. Mr Drew enjoyed the sport as much as the anglers themselves, and so thoroughly were his services appreciated that he has been retained for the remainder of the season.

Messrs. Palmer, Burwell, Logan and McCreary were somewhat chagrined at not being able to boast of catching a tarpon, but the quantity of sheephead and other fish they caught would supply the town of Gainesville for an entire day.

It was a jolly party, the most congenial and good natured it has been the writer's pleasure to mingle with for many a day, and he returned home feeling that "it was good to have been there." Long life and prosperity to the St. Johns Fishing Club, and may each and every member have at least one tarpon to his credit ere the season is over.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandruff and to prevent baldness by feeding the germs which cause it with Cantharides, Vanadin, Capsicine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp Germicide manufactured.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co. Detroit, Mich.

It appears rather early to be selecting Bryan's cabinet, yet The Ocala Banner names Ex-Governor Jennings for a portfolio in case of the Nebraskan's election in 1908. Keep your eye on the Ex-Governor. The Bryan boom may serve him as well in 1908 as it did in 1900.

The "pistol toters" are being severely punished in many sections of the State. If the courts would enforce the law the criminal practice of carrying concealed weapons would soon be a thing of the past. Three months on the gang, instead of the minimum fine of $100, would do the work, and that's the dose some of the "best citizens" have been warned in several counties will be administered to them the next time they are convicted of violating the law.

The crop of Gubernatorial candidates grows as rapidly as grass during a rainy season. Those now mentioned are: Cromwell Gibbons, W. J. Bryan, Jacksonville; Jennings of Pensacola; Horace C. Gordan, Tampa; J. W. Watson, Miami, and E. S. Crill of Palatka. The latter has not announced his intention of entering the race, but sentiment is crystalizing in his favor all over the State. He is recognized preeminently as the man best fitted for the Governorship under present conditions.

In his North Carolina address last week, Secretary of War Taft used several thousand words to prove to the people of the South that they were losing much by not making political associates of the negro. Three days later a Vermont lady residing in the vicinity of Aiken, S. C., was criminally assaulted by a negro whom she had previously vouched for as a "perfect gentleman." Both saw the negro as through a glass, darkly. The former has never met him face to face. The latter has, and she probably holds somewhat modified views on social equality now that she has.—Palatka News.

The Sun congratulates the Board of County Commissioners upon their action in reducing the tax levy for the ensuing year by levying only for school and road purposes. Nothing proves more effective in causing the settlement of a county by a desirable class of people than good schools and good roads, and the tax for neither of these could be reduced and conserve the best interests of the people. Alachua county is noted for its good schools, and it is to be hoped that ere long we can say the same thing regarding its public roads.

Notwithstanding that General Lamar buried the Hon. Jefferson D. Stephens of Jackson county under an avalanche of 3,500 ballots in the May primary, he has sufficiently recovered himself to announce that he will again be a candidate for Congress in 1908. The Hon. Jefferson D. is truly an "early bird."

Roosevelt Thanked.

LOSES HIS LIFE IN RIVER.

Watching Strikers, Seaboard Agent Drowns in Savannah.

Savannah, Ga., July 24—Geo. S. Fitzwater, chief of special agents of the Seaboard Air Line railway, was drowned Sunday morning shortly after 3 o'clock in the Savannah river. The body has not been found. Search, however, has not been abandoned, though it has been prosecuted diligently since the casualty occurred. Three divers have been at work, and the slip in which Mr. Fitzwater went down has been carefully dragged.

Mr. Fitzwater had relieved Special Agent Wainwright on duty at the wharves a few minutes before the drowning occurred. He was on guard against strikers. Not hearing a call from a guard on one post, he proceeded to the point to investigate. He left his launch and landed on a lighter. He did not notice that a neighboring lighter was not touching that on which he landed. Seeking to walk to the other he fell overboard. His boatman heard the splash, and tried to rescue him, but apparently Mr. Fitzwater had struck his head, stunning him. Mr. Fitzwater was well known all along the Seaboard Air Line. His home was at Monroe, N. C. He leaves a wife and a little child.

At the very spot where Fitzwater was drowned, a German sailor fell overboard from the steamer Europa, and was drowned. His body has not been recovered.

Farmers Fight to the Death.

Waynesboro, Ga., July 24.—News has reached here of a shooting affray at Alexander in which Mack Sikes was killed and Wat Chance was injured. It is rumored that a negro was also shot. Details of the shooting are meager, but from what can be learned, the men met at a negro frolic and indulged too freely in whisky. It seems that Chance, when drinking had some grudge against Sikes and this was probably the cause of the fight. The dead man was a prominent farmer, about 40 years old, and leaves a wife. Chance is 28 years old and unmarried. He is also a farmer.

Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one fifty-cent bottle entirely cured me of asthma which had been growing on me for twelve years. If I had taken it at the start I would have been saved years of suffering." J. W. McCollum & Co.

Donaldson Yields to Death.

Washington, July 24—Colonel Samuel Donaldson, who was doorkeeper of the house of representatives during Mr. Carlisle's term as speaker, died suddenly of heart failure at his home in this city Monday. Colonel Donaldson was well known among politicians throughout the country, and at the time of his death was assistant sergeant-at-arms of the Democratic national committee.

Only 82 Years Old.

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson of Dublin, Ga. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by all druggists. Price 50c.

WILL DIE FROM DOG BITE.

Lacey Deese, of Jacksonville, Suffering with Hydrophobia.

Atlanta, July 24.—Lacey Deese, of Jacksonville, Fla., who was severely bitten by a mad dog in that city on July 4th, receiving three frightful wounds in the face, has hydrophobia at the Pasteur institute of this city, where he was brought four days after the acident occurred, and cannot live.

Hydrophobia set in an last Thursday before the treatment for immunity could have effect, and in cases where the disease seizes the patient so early no hope can be entertained for recovery. Te man was taken with the disease as early as anyone suffering from the bite of a mad dog can, and in such instances there is no possible way to save the patient, as all depends on having enough time for the immunity treatment to have eect.

D. P. Upson and son, Marion, also of Jacksonville, who were bitten by a pet dog at their home last Thursday, and entered the Pasteur institute several days ago, are practically well and are in no danger whatever.

Falls to Death From Window.

Chattanooga, Tenn., July 24.—H. K. Morgan, aged 35, a traveling salesman for a local house, but living in Asheville, N. C., fell from a third story window at the Southern hotel at about 2:30 o'clock Sunday morning, sustaining injuries from which he died shortly after daylight. That the fall was purely accidental is confidently believed by all who saw the young man during the evening before and up to the time he retired, which was about 11 o'clock. The last time Mr. Morgan was seen before his untimely death he was in the best of spirits, even gay. His remains were shipped to his home.

Sabbath Breakers Arrested.

New Orleans, La., July 24.—More than 100 persons were either arrested or cited to appear at court in the Mississippi, gulf coast towns of Gulfport, Biloxi and Bay St. Louis for alleged violations of the Sunday amusement and closing law. Saloon keepers, baseball players, newspaper vendors, keepers of refreshment stands, and bootblacks were included in this number. There police acted because of an order issued by Judge W. H. Hardy, presiding over the Mississippi coast district, ordering an enforcement of the Sunday law.

Dowie Holds First Meeting.

Chicago, July 24.—John Alyexander Dowie held his first meeting in the tabernacle at Zion city Sunday since the meeting which broke up in a riot six weeks ago. Dowie's physical condition was such that he had to be lifted upon the platform by two negro attendants. He spoke less than 10 minutes nd apparently under the greatest physical strain, being unable to rise from his chair without help. In concluding his brief address Dowie said: "I expect to take full charge of Zion city next Wednesday night."

A Tragic Finish.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at all drug stores. 50c and $1. Trial bottle free.

2,500 Girls on Strike.

FRIGHTENED BY TRAIN.

Sad and Sudden Ending of Horse, Which Died of Heart Failure.

One of the most peculiar animal deaths ever known in this section occurred Tuesday, the victim being a horse belonging to Ben Gorman, an industrious colored man who resides on the outskirts of the city.

This animal actually died of heart failure, produced by fright, it is said. Just as the southbound A. C. L. train from Jacksonville was crossing Court street Gorman came driving along. At the sight of the train the animal tried to run, but the occupant of the wagon held a tight check, when the horse suddenly fell and expired within three minutes.

The incident attracted quite a crowd to the scene, which viewed the dead horse curiously.

Gorman is a hard-working man, and this loss will prove a serious one to him.
